RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Calcium D-Glucarate, 500mg tablets, a dietary supplement. Source Naturals[®] is the manufacturer of Calcium D-Glucarate.

Statements being made in the labeling of Calcium D-Glucarate, 500mg tablets:

- (1) Source Naturals Calcium D-Glucarate includes the patented compound glucarate which has been shown to enhance the major detoxification pathways in the body.
- (2) Animal studies have shown that Calcium D-Glucarate inhibits beta-glucuronidase, thereby enhancing the process of glucuronidation, in which foreign organic compounds, fat-soluble toxins and excess steroid hormones such as estrogen are detoxified and excreted from our bodies.
- (3) Cellular detoxifier.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.

Ira L. Goldberg

President, Source Naturals[®]
